VAMSHI TOOL WORKS

COMPANY'S PROFILE

ABOUT US

Vamshi Tool Works started its Journey in the Year of 2021 in Coimbatore, India. The years of experience we have in the field of Engineering has strengthen our commitment, determined customer focus, culture of quality, and unique emphasis on social responsibility empowers Team VTW.

Vamshi Tool Works is the most respected business enterprises providing manufacturing solutions for Rapid Prototyping of critical components. Manufactured in small batches to tight tolerances as per customer's drawings. An integrated solution offered including tooling and fixtures. It is known for its state of the art manufacturing infrastructure along with an extensive manufacturing expertise in machining processes and machine design.

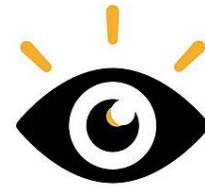

Quality Policy

"At **VAMSHI**, our unwavering commitment is to provide our customers with top-quality products and services. We prioritize customer needs, ensuring that our offerings consistently meet or exceed their standards. We encourage continuous improvement, adhere to industry regulations, embrace innovation, and invest in our employees' development. Environmental responsibility is integral to our operations. We are dedicated to sustainable practices. Accountability, transparency, and adherence to strict quality and safety norms are fundamental to our approach. At **VAMSHI**, quality isn't just a policy; it's our promise. We continually strive to enhance customer satisfaction, deliver excellence, and add value to our stakeholders."

VISION

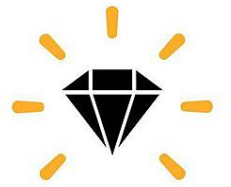

"Our vision at **VAMSHI** is to be the leading provider of fixtures, plastic injection molds, pressure die casting molds, and precision machined components globally. We aim to continuously expand our reach while maintaining our reputation for excellence. We envision a future where our innovations drive the advancement of the manufacturing industry, and our commitment to quality and sustainability sets new standards. By 2024, we aspire to be recognized as the go-to partner for manufacturing solutions, delivering value that transcends industry boundaries."

VAMSHI

Our Services

- Manufacturers of Precision Machined Components
- Manufacturers of Mechanical Fixtures (CNC & HMC Machines), Hydraulic Fixtures, Welding Fixtures and Inspection Gauges
- Manufacturers of Plastic Injection Moulds
- Manufacturers of Pressure Die Casting Moulds
- Manufacturers of Mould Accessories

INFRA STRUCTURE

CNC MILLING – 2 No's

+ LMW J2 – 800 x 500
x 500 12000RPM,
11.5Kw Power
with Blum Nano Z
Setter

CONVENTIONAL

+ M1TR – 4KS – 1 No
+ Surface Grinding –
800 x 400 -1 No
+ Vertical Milling – 700
x 500 - 2 No's
+ Horizontal Milling –
700 x 500 - 1 No's

MEASURING INSTRUMENTS

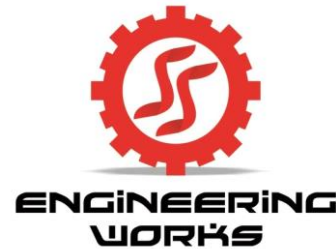

+ Vernier Calliper – 0-600mm
+ Dig Ver Calliper – 0-300mm
+ Micro Meter – 0-100mm
+ Height Gauge – 0-600mm
+ Bore Gauge – 10mm-125mm
+ Micron Lever Dial
+ Micron Plunger Dial
+ Bevel Protector
